Switching

- It's easy to change from a three-year to a four-year programme up until the end of your first year
- But it's better to switch sooner, rather than later, so you don't have as much work to catch up on
- You can switch off a four year programme at any time

Your year ahead

- Your placement journey starts now: timetabled sessions delivered alongside an online course of placement preparation.
- Get 'Skills Aware' during Semester One
- Get 'Application Ready' during Semester Two.
- Complete an Individual Employability

Portfolio ready to make great placement applications in the summer.

Key messages for your first year

- Never too early to start boosting your employability
- You do not need to have it all worked out
- Take advantage of the freedom of the first year
- Try new things and get involved
